Kale Salad Bowl with Tahini

**INGREDIENTS**
- 2 sweet potatoes
- 4 cups chopped kale, stems removed
- 1 1/2 cups cooked quinoa
- 1 can (15 oz.) chickpeas, drained
- Sesame seeds
- Salt & fresh pepper
- Olive oil

**For the tahini:**
- 2 garlic cloves
- 1 tsp salt
- 3/4 cup tahini paste
- 2 tbsp lemon juice
- 2–3 tbsp warm water
- 2 tsp chopped parsley

**For the lemon dressing:**
- 1/4 cup lemon juice
- 1 tsp salt
- 1/2 tsp fresh pepper
- 1/2 cup olive oil

**DIRECTIONS**

**Roasted sweet potatoes:** Preheat oven to 400°F. Prepare a baking sheet with foil and spray with nonstick cooking oil. Peel the potatoes and cut them into small cubes (1/2”–1”). Toss in a bowl with enough olive oil to coat all the pieces. Season GENEROUSLY with salt and fresh pepper. Lay the cubes out on the baking sheet in one layer. Bake for 20–25 minutes flipping the potatoes halfway through. To brown and crisp them a bit more, broil on high for 2–4 minutes.

**Tahini:** In a pestle & mortar, crush the garlic and coarse salt until it is completely pasty. There should be no chunks. Add the tahini paste and lemon and mix until combined. Add water, parsley and mix again. It should be fairly loose. If the tahini is too thick, add another tablespoon of water until you’ve achieved desired consistency. You can also do this in a food processor if you either don’t own a pestle & mortar, or if yours isn’t big enough to hold all the ingredients.

**Lemon dressing:** Whisk all the ingredients together.

**Bowls:** Toss the chickpeas with about 2 tablespoons of lemon dressing in a small bowl. Set aside.

In a large bowl, toss and massage the kale with the remaining lemon dressing, some salt, and fresh pepper. Massaging the kale will break down some of those tough fibers and make the kale a bit softer.

Top with the roasted potatoes, quinoa, and chickpeas. Drizzle with tahini. Use as much or as little as you like. You can serve the rest of the tahini on the side as well. Garnish with sesame seeds and season with salt and fresh pepper. Enjoy!

**DIRECTIONS**

Drizzle some olive oil in the sauté pan and cook the burgers for 3–4 minutes on each side until they are cooked through. Simultaneously, drizzle olive oil in the medium-sized saucepan and heat over medium heat. Toss in minced garlic, spinach and mushrooms. Oh She Glows Vegan Caesar Salad

INGREDIENTS

**Roasted Chickpea Croutons**
- 1 (15 oz.) can chickpeas, drained and rinsed
- 1 tsp extra virgin olive oil
- ½ tsp salt
- ½ tsp garlic powder
- ¼ tsp cayenne pepper (optional)

**Caesar Dressing (makes ¾–1 cup)**
- ½ cup raw cashews, soaked overnight
- ¼ cup water
- 2 tbsp extra virgin olive oil
- 1 tbsp lemon juice
- ½ tbsp dijon mustard
- ½ tsp garlic powder
- 1 small garlic clove
- ½ tbsp vegan Worcestershire sauce
- 2 tsp capers
- ½ tsp salt and pepper

**Nut & Seed Parmesan Cheese**
- ½ cup raw cashews
- 2 tbsp hulled hemp seeds
- 1 small garlic clove
- 1 tbsp nutritional yeast
- ½ tsp garlic powder
- Sea salt, to taste

**Lettuce**
- 1 small/medium bunch kale, destemmed (5 cups chopped)
- 2 small heads romaine lettuce (10 cups chopped)

**DIRECTIONS**

Soak cashews in a bowl of water overnight, or for at least a few hours. Drain and rinse.

**Roast chickpea croutons**: Preheat oven to 400°F. Drain and rinse chickpeas. Place chickpeas in a tea towel and rub dry. It’s okay if some skins fall off. Place onto large rimmed baking sheet. Drizzle on oil and roll around to coat. Sprinkle on the garlic powder, salt, and optional cayenne. Toss to coat. Roast for 20 minutes at 400°F, then gently roll the chickpeas around in the baking sheet. Roast for another 10–20 minutes, until lightly golden. They will firm up as they cool.

**Dressing**: Add the cashews and all other dressing ingredients (except salt) into a high-speed blender, and blend on high until the dressing is super smooth. You can add a splash of water if necessary to get it blending. Add salt to taste and adjust other seasonings, if desired. Set aside. The dressing thickens when chilled, so be sure to leave it at room temperature to soften before using.

**Parmesan cheese**: Add cashews and garlic into a mini food processor and process until finely chopped. Now add in the rest of the ingredients and pulse until the mixture is combined. Salt to taste.

**Lettuce**: Destem the kale and then finely chop the leaves. Wash and dry in a salad spinner. Place into extra large bowl. Chop up the romaine into bite-sized pieces. Rinse and then spin dry. Place into bowl along with kale. You should have roughly 5 cups chopped kale and 10 cups chopped romaine.

**Assemble**: Add dressing onto lettuce and toss until fully coated. Season with a pinch of salt and mix again. Now sprinkle on the roasted chickpeas and the Parmesan cheese. Serve immediately.

Crunchy Thai Quinoa Salad

INGREDIENTS

Salad
- ¾ cup uncooked quinoa
- 1½ cups water
- 2 cups shredded purple cabbage
- 1 cup grated carrot
- 1 cup thinly sliced snow peas
- ½ cup chopped cilantro
- ¼ cup thinly sliced green onion
- ¼ cup toasted slivered almonds

Sauce
- ¼ cup smooth almond butter
- 3 tbsp coconut aminos
- 1 tbsp apple cider vinegar
- 1 tsp toasted sesame oil
- 1 tsp grated fresh ginger
- ½ lime, juiced
- Pinch of red pepper flakes

DIRECTIONS

Rinse the quinoa in a fine mesh colander under running water. In a medium-sized pot, combine the rinsed quinoa and 1½ cups water. Bring the mixture to a gentle boil over medium heat, and then reduce the heat to medium-low and gently simmer the quinoa until it has absorbed all of the water. Remove the quinoa from heat, cover the pot and let it rest for 5 minutes. Uncover the pot and fluff the quinoa with a fork. Set it aside to cool.

Sauce: Whisk together the almond butter and coconut aminos until smooth. Add the remaining ingredients and whisk until smooth. If the mixture seems too thick to toss into the salad, whisk in a bit of water to loosen it up.

In a large serving bowl, combine the cooked quinoa, shredded cabbage, carrot, snow peas, cilantro and green onion. Toss to combine, then pour in the sauce. Toss again until everything is lightly coated in sauce. Salt to taste. Divide into individual bowls and garnish with slivered almonds.

TIP: This salad keeps well, covered and refrigerated, for about 4 days. If you don’t want your toasted almonds to get soggy, store them separately from the rest and garnish just before serving.

Extra Veggie Fried Rice

INGREDIENTS
- 1½ tsp + 2 tbsp avocado oil
- 2 eggs, scrambled
- 1 small white onion, finely chopped
- 2 medium carrots, finely chopped
- 2 cups additional veggies, cut into very small pieces for quick cooking (options include snow peas, asparagus, broccoli, cabbage, bell pepper, and/or fresh or frozen peas)
- ¼ tsp salt, more to taste
- 1 tbsp grated or finely minced fresh ginger
- 2 large cloves garlic, pressed or minced
- Pinch of red pepper flakes
- 2 cups cooked brown rice
- 1 cup greens, such as spinach or kale
- 3 green onions, chopped
- 1 tbsp coconut aminos
- 1 tsp toasted sesame oil

DIRECTIONS
Before getting started, make sure that all of your ingredients are prepped and within arm’s reach from the stove. Also have an empty bowl nearby for holding the cooked eggs and veggies.

Warm a large cast iron or stainless-steel skillet over medium-high heat. Add 1½ teaspoons of oil and swirl the pan to coat the bottom. Add the eggs and swirl the pan so they cover the bottom. Cook until they are just lightly set, flipping or stirring along the way. Transfer the eggs to a bowl and wipe out the pan with a heat-proof spatula.

Return the pan to heat and add 1 tablespoon of oil. Add the onion and carrots and cook, stirring often, until the onions are translucent, and the carrots are tender.

Add the remaining veggies and salt. Continue cooking, stirring occasionally, until the veggies are cooked through and turning golden. In the meantime, use the edge of your spatula or a spoon to break up the scrambled eggs into smaller pieces.

Use a big spatula or spoon to transfer the contents of the pan to the bowl with the cooked eggs. Return the pan to heat and the remaining 1 tablespoon oil. Add the ginger, garlic and red pepper flakes, and cook until fragrant while stirring constantly, about 30 seconds. Add the cooked rice and mix it all together. Cook, stirring occasionally, until the rice is hot and starting to turn golden on the edges.

Add the greens and green onions and stir to combine. Add the cooked veggies and eggs and stir to combine. Remove the pan from the heat and stir in the coconut amino and sesame oil. Divide into bowls and serve immediately.

Slow Cooker Curried Vegetable and Chickpea Stew

INGREDIENTS
- 1 tsp olive oil
- 1 large onion, diced
- 2 medium sweet potatoes
- 1 tbsp curry powder
- 1 tbsp coconut aminos
- 1 tsp grated fresh ginger
- 3 cloves garlic, minced
- ⅛ tsp cayenne pepper
- 2 cups low-sodium vegetable broth, divided
- 2 cans chickpeas, drained and rinsed
- 1 medium green bell pepper, diced
- 1 medium red bell pepper, diced
- 1 medium head cauliflower, cut into bite-sized florets
- 1 can diced tomatoes with their juices
- ¼ tsp freshly ground black pepper
- 1 (10 oz.) bag baby spinach
- 1 cup coconut milk

DIRECTIONS
Heat the oil in a large frying pan over medium heat until shimmering. Add the onion, season with 1 teaspoon of the salt, and sauté until translucent. Add the potatoes or squash and 1 teaspoon of the salt, and sauté until just translucent around the edges.

Stir in the curry, coconut amino, ginger, garlic, and cayenne and cook until fragrant. Pour in ¼ cup of the broth and scrape up any browned bits from the bottom of the pan. Transfer this onion-potato mixture into the bowl of a 6-quart slow cooker.

Add the remaining 1¾ cups broth, chickpeas, bell peppers, cauliflower, tomatoes with their juices, pepper, and remaining 1 teaspoon salt. Stir to combine. The liquid should come about halfway up the sides of the bowl; add more broth as needed. Cover and cook for on the HIGH setting for 4 hours.

Stir in the spinach and coconut milk. Cover and let sit for a few more minutes to allow the spinach to wilt. Taste and season with salt and other seasonings as needed. Serve on its own, or over brown rice or quinoa.

TIP: Halve this recipe for a smaller slow cooker.
Asian Collard Wraps with Creamy Almond Butter Sauce

**INGREDIENTS**
- 6 oz. extra-firm organic tofu, drained
- 1 tbsp coconut oil
- 2.5 oz. thin rice noodles
- 6 large collard green leaves
- 1 medium carrot, peeled
- ½ cucumber
- ½ cup purple cabbage, shredded
- 12 basil leaves
- 12 mint leaves
- 1 cup bean sprouts

**Sauce**
- 4 tbsp almond butter
- 2 tsp apple cider vinegar
- 1 tbsp lime juice
- 1 tsp chili garlic sauce
- 1–2 tsp water
- 1½ tbsp tamari sauce

**DIRECTIONS**
Press tofu between a few layers of paper towels to remove as much moisture as possible. Cut tofu into ½-inch thick strips, about 3–4 inches long. Begin cooking your rice noodles according to package directions.

Heat coconut oil in a large skillet over medium heat and fry the tofu until lightly golden, 3–4 minutes on each side. Check on your rice noodles and when tender, drain and set aside. Once tofu is done cooking, set on a layer of paper towels to cool.

Wipe clean the same skillet you used to cook the tofu and fill it with the almond butter sauce to help the wrap stick to itself. Repeat this process with the remaining three wraps.

While you wait for your water to boil, prepare your collard greens by trimming the long stem so it’s flush with the leaf. Then, with the leaf upside down, gently shave down the thick stem that runs up the center of the leaf with a sharp paring knife. Doing so will make the leaf more flexible to fold and wrap.

Once the water is boiling, carefully drop in the collard greens. Cook for 30 seconds, then immediately transfer them to the bowl of ice water. At this time, fill a separate pot or bowl with ice water and set aside.

Once the water is boiling, carefully drop in the collard greens. Cook for 30 seconds, then immediately transfer them to the bowl of ice water.

While your collard greens chill in the ice bath, prepare your veggies. For the carrot, use a vegetable peeler to create long, thin strips. Slice the cucumber in half lengthwise and then cut each half lengthwise into thin pieces. Trim the fleshy, seedy part of each piece to avoid a soggy wrap. Set chopped veggies aside.

**Sauce:** Combine the almond butter, tamari, apple cider vinegar, lime juice and chili garlic sauce in a small bowl. Add a teaspoon or two of water to thin the sauce if it’s really sticky.

**Assemble:** Dry each collard green leaf between two paper towels. Lay one of the leaves on a flat surface, like your cutting board, with the stem side facing up.

Spread a spoonful of almond butter sauce across the bottom center of the leaf, followed by the tofu, rice noodles, carrot, cucumber, bean sprouts, mint and basil. Fold the sides of the leaf in towards the center, followed by the bottom, so your fillings are cradled.

Finally, using your hands to keep the sides of the leaf tucked in, roll the wrap from the bottom like you’re folding a burrito. Add a dab of almond butter sauce to the edge of the leaf to help the wrap stick to itself. Repeat this process with the remaining three wraps.

With a serrated knife, carefully slice each wrap in half to serve. Or, if you’re going to travel with your wrap, leave it whole and cut it on arrival. Use any extra almond butter sauce for dipping.

**DIRECTIONS**
Add the rice and 1 tablespoon of oil into a medium pot along with 2 cups of water. Increase heat to medium-high and bring to a simmer. Immediately reduce the heat to low-medium and cover with a lid. Cook the rice until it’s tender and the water is absorbed.

**Spicy Black Beans**: In a large wok or skillet, add the oil and melt it over medium heat. Stir in the onion and garlic, along with a pinch of salt, and sauté for about 5–6 minutes, until softened. Stir in the chopped tomatoes, chili powder, garlic powder, dried oregano, cayenne, and ½ teaspoon of salt. Continue sautéing for another 3–5 minutes until the tomato softens.

**Mason Jar Taco Salad**

**INGREDIENTS**
- 1 tbsp olive oil
- 8 oz. chicken breast cut into bite-sized pieces
- 2 cup large carrots, sliced
- 1 large red bell pepper, sliced
- ¼ cup large onion, roughly chopped
- 2 tsp garlic minced
- 2 tsp cumin seed
- Salt
- 1 large avocado
- 1 large lime, juiced
- 1 cup salsa
- 2 cups roma tomatoes, chopped
- ½ cup cucumber, chopped
- ½ cup cilantro, roughly chopped
- Fresh spinach
- 2 quart wide-mouth sized mason jars

**DIRECTIONS**
Heat ½ tbsp of olive oil in a large skillet over medium heat. Cook the chicken breast until golden brown, and no longer pink on the inside. Set aside in a small bowl.

Add the remaining ½ tbsp of olive oil into the pan and turn to medium-high heat. Cook the carrots until they begin to just soften. Turn the heat down to medium and add in the pepper, onion and garlic. Cook until soft and the outsides begin to look charred.

While the veggies cook, place the cumin seeds in a small, dry pan over medium-high heat and toast them, stirring frequently until golden brown and fragrant, about 2 minutes. Transfer them to a cutting board and crush. Add the crushed seeds into the pan with the veggies and season with salt. Mix well and turn off the heat.

Scoop the avocado and the lime juice into a small food processor and blend until smooth and creamy. Place ½ cup of salsa in the bottom of each jar, spreading evenly. Divide the avocado/lime mixture on top, gently spreading out. Then, divide the cumin roasted veggies, followed by the chicken. You may need to lightly pack everything in to get it all to fit. After the chicken, place the chopped tomatoes, and then the cucumbers. Finish off by dividing the cilantro and then as much spinach as you can fit. Seal and refrigerate.

- 3 tbsp extra virgin olive oil, divided
- 1 medium yellow onion, chopped fine
- 1½ tsp fine sea salt, divided
- 6 garlic cloves, pressed or minced
- 2 tsp smoked paprika
- 1 can (15 oz.) diced tomatoes, drained

**DIRECTIONS**
Arrange your oven racks in the upper and lower thirds of the oven, making sure that you have ample space between the two racks for your Dutch oven. Preheat the oven to 350º F. Heat 2 tablespoons of the oil in your Dutch oven or skillet over medium heat until shimmering. Add the onion and a pinch of salt. Cook until the onions are tender and translucent.

Stir in the garlic and paprika and cook until fragrant. Stir in the tomatoes and cook until the mixture begins to darken and thicken slightly, about 2 minutes. Stir in the rice and cook until the grains are well coated with tomato mixture, about 1 minute. Stir in the chickpeas, broth, and 1 teaspoon salt.

Increase the heat to medium-high and bring the mixture to a boil, stirring occasionally. Cover the pot and transfer it to the lower rack in the oven. Bake, undisturbed, until the liquid is absorbed, and the rice is tender, 50–55 minutes.

Meanwhile, line a large, rimmed baking sheet with parchment paper. On the baking sheet, combine the artichoke, peppers, chickpeas, broth, 1 tablespoon of the olive oil, ½ teaspoon of the salt, and ground black pepper. Toss to combine, then spread the contents evenly across the pan.

Roast the vegetables on the upper rack until the artichokes and peppers are tender and browned around the edges, about 40–45 minutes. Remove from the oven and let the vegetables cool for a few minutes. Add 2 cups spinach and ¼ cup parsley to the pan and let the vegetables and lemon juice and toss to combine. Season with salt and pepper, to taste. Set aside.

Sprinkle the peas and roasted vegetables over the baked rice, cover, and let the paella sit for 5 minutes. Garnish with a sprinkle of chopped parsley and serve in individual bowls, with lemon wedges on the side.
